

Basic Party Information

- Parties are two hours in length –75-90 minutes for the Instructor-led program and 30-45 minutes for cake, food and presents.
- For garden & hiking parties you will have full use of the fridge and freezer in the Teaching Kitchen
- We will also have tables and chairs set up for your use but may need to use them for activities as well in rainy/cold weather (you are also welcome to use the picnic tables outside for food and presents)
- Cooking parties take place in the Children’s Teaching Kitchen and use of the kitchen is supervised by the Program Instructors
- You are welcome to bring party decorations but we ask that you not stick them to walls or cabinets in the kitchen (trees are ok 😊), also please ensure that they are environmentally friendly and recyclable
- Please note that the maximum number of people allowed in the Teaching Kitchen is 35 (including staff)
- For more information please contact Keely at kidsgrow@toronto.ca

Party Costs

Garden & Hiking Birthday Party Programs:

- Basic Program cost - \$160.00 for up to 10 children
 - An extra \$10.00/child will be added for each additional child up to a maximum 20 children
- Optional Rental of dishware and cutlery - \$25.00

Cooking Birthday Party Programs:

- Basic cooking program cost - \$200.00 for up to 10 children (additional supply fees may apply for specialised menu requests)
 - An extra \$14.00/child will be added for each additional child up to a maximum 15 children

Payment of a \$60 deposit fee is due within 7 days of booking (cash or cheque made out to City of Toronto Treasurer). The remainder of the cost of the program is due on the day of the party.

Birthday Parties

Choose from one of our three categories of Birthday Party Programs or let us know if you're Birthday Boy or Girl has a specific interest they want incorporated into their program. We can also help you create a custom party theme.

Garden Fairies & Flowers:

Search for Garden Fairies, plant their favourite veggies, decorate fairy houses and pot up a plant/seed to take home.

Pollinator Pals:

Learn about butterflies, bees and pollinating insects. Do the bee dance and plant veggies for them to pollinate.

Gardening

Available May through October

Garden Critters & Crawlies:

Search for garden critters and compost crawlies. Plant veggies and flowers to help attract the good critters and keep out the bad.

Little Growers:

Dig in the soil, plant flowers and veggies, learn about our compost (there's worms involved!) and taste what grows in our garden.

Bird Song:

Go for a hike and learn about the birds found in High Park. Make bird feeders and listen to bird calls.

Hop, Waddle, Flap & Toddle:

Different animals walk in different ways. Discover the critters that live in High Park and follow their trails.

Hiking

Available Year Round

Nature Arts:

Take a hike along High Park's trails and gather materials and inspiration to create Nature Arts and Crafts.

Super Senses:

Hike through the forest and learn how to use your senses to explore. Find out how animals use their senses to find food, stay safe and more!

Veggie Pizza Party:

What's a birthday party without pizza? Participants get to make their own mini pizzas with their favourite veggies. Who new pizza could be healthy?

Veggies In Your Cake? :

Many of our favourite treats taste even better with a few veggies thrown in. Children can bake and try a veggie cake!

Cooking

Available Year Round

Super Snacks:

Chips made out of kale, hummus the incredible dip and scissor salsa are some of the veggie based snacks that can be made at this party.

Youth Cooking Party:

Get together a few of your friends and take a cooking class for your next birthday. Make healthy versions of your favourite foods like pizza & veggie burgers or enjoy a mini-spa with our Edible Cosmetics party option!

Each party theme can be adapted to a variety of age groups.
